

Application form - Voluntary Right to Buy for housing association tenants

Please use this form if you are a housing association tenant and wish to purchase your home under the voluntary Right to Buy scheme for Housing Association tenants.

You could be eligible for a discount under the voluntary Right to Buy scheme if:

- ✓ You are a housing association tenant
- ✓ You are not eligible for the Preserved Right to Buy or Statutory Right to Buy scheme (i.e. if your home used to be owned by the council, but they sold it to a housing association while you were living in it)
- ✓ You are not a shared ownership tenant
- ✓ The property is your only home at the point of sale
- ✓ You have been a public sector tenant (usually a tenant of a council or a housing association) for at least 3 years
- ✓ You do not have any rent arrears
- ✓ You don't have any outstanding possession orders
- ✓ You are not subject to bankruptcy proceedings
- ✓ You are not subject to an anti-social behaviour order or notice of intent to seek possession for breach of tenancy conditions

Full eligibility criteria are set out on the Government's website at www.righttobuy.gov.uk. We will check your details against all of the criteria to ensure you are eligible.

If you think you are eligible, to proceed with an application:

1. **You must first register your interest through the Government's website** <https://midlands.righttobuy.gov.uk> **and obtain a unique reference number (URN)**. We are not permitted to accept applications without a URN. There may be times when the Government's website is closed to new applications. We have no control over that and if you have any questions you should contact the Right to Buy Agents for more information.
2. **You should obtain impartial financial and legal advice. Remember, buying your home is a big decision.** It's a good idea to find out if you can afford to purchase and maintain your home before you make an application.

You can get free information and advice from:

- Our website
- The Government's Right to Buy website: www.righttobuy.gov.uk.
- The Right to Buy Agents – a free, impartial source of information funded by the Government. You can phone them on 0300 123 0913 or contact them via the website: www.righttobuy.gov.uk/agent-service.

When you have completed this form, send it to: VRTB@pahousing.co.uk. It's a good idea to keep a copy of the completed form.

Section One: Property and Tenancy Details

Please read the following notes:

1. You can only apply for the voluntary Right to Buy discount if you are a tenant of this property and you have a unique reference number from the Government’s website.
2. Please make sure you are applying to the right landlord. If you apply to the wrong landlord, your unique reference number may be void and you may have to reapply.
3. You must not sell, let or sub-let the property within 5 years of purchase. If you do so, you will be liable to repay some or all of the voluntary Right to Buy discount, according to the terms set out in the sales contract. If this causes significant financial distress, your ex-landlord may be willing to grant you permission to let the property, but you must seek their agreement first.

Section Three: Applicants' Details

Please read the following notes:

Tenant

1. You are a tenant if your name appears on the tenancy agreement, rent book or rent card. If you are unsure whether you are a tenant, you should check with your landlord.
2. You can only claim the voluntary Right to Buy discount if the property is your only home and you have lived there for a minimum of 12 months. If you already own a property, it must be sold before you complete the purchase of your housing association home.
3. If you are applying to buy jointly with other tenants, all applicants need to have lived in the property as their only home for at least the last 12 months.
4. The agreement of any tenant who does not wish to buy must be obtained before you apply to purchase your home. They should sign Part G of this notice. Their tenancy will end when you buy the property.

Family member

1. You may apply to purchase your home with up to three family members over the age of 18. A family member is:
 - i. the tenant's husband, wife or civil partner; or someone who lives with the tenant as if they were their husband, wife or civil partner
 - ii. the tenant's parent, grandparent, child, stepchild, grandchild, brother, sister, uncle, aunt, nephew or niece
 - iii. the parent, grandparent, child, stepchild, grandchild, brother, sister, uncle, aunt, nephew or niece of the tenant's husband, wife or civil partner.

They do not have to be tenants themselves **but they must have also lived in the property as their main home for at least the last 12 months**, and if they already own a property it must be sold before the completion of the purchase of your housing association home.

2. If you are unsure whether someone qualifies as a family member for this purpose, you should check with your landlord. Family members who haven't lived in the property can contribute to the purchase costs but they cannot acquire a stake in the property.

If any of the applicants change during the application process, your application will be rendered void and you will need to start a new application and obtain a new unique reference number.

Details of Household Income

The following section on household income and expenditure should be completed for your total household income. Your household will typically include members of your family who currently live in the property. It can be defined as one person living alone, or a group of people (not necessarily related) living at the same address who share cooking facilities and share a living room, sitting room or dining area.

Please do not leave any rows blank. If any rows are not relevant to you, e.g. if you do not currently receive any social security benefits please indicate this by entering 'N/A'.

Combined with the information you are providing on household size and composition, this information will enable government to better understand the characteristics of those accessing the Voluntary Right to Buy. It will inform analysis by both government and independent, third party researchers on how successful the pilot is in delivering its policy objectives.

Please note that **gross income** refers to earnings before deductions are made in light of taxes and benefits. **Net income** is gross income minus deductions (e.g. income tax, national insurance contributions and payments to occupational pension).

It will be used as part of a methodology called equivalisation that adjusts household income to account for the different financial resource requirements of different household types. It is used by the [Office for National Statistics](#).

Sources of income	Annual	Weekly	Monthly
	Please only fill in one box per row , e.g. if you fill in your annual net income, do not also provide your monthly net income.

Other deductions from income, e.g. <ul style="list-style-type: none"> - Payments to personal pension - Amount paid to former partners for child maintenance Please specify:

1. **[If you have completed a paper application, send it to us at the following address: PA Housing, Third Floor Pentagon House, 52-54 Southwark Street London SE1 1UN.**

2. **Acceptance/denial of your application.** We will review the application form and evidence you have provided. We may also ask for further information. Once we are satisfied with the information you have provided, we will contact you confirming whether you have the voluntary Right to Buy for housing association tenants, and whether your property is available for purchase under our sales policy. If your property is not available to buy but you are eligible, we (or another housing association) will offer you an alternative property/properties to purchase in line with our portable discount policy. Information about our policy on sales and on the portable discount can be found at: [www.xxx]
3. **Fees.** If we accept your application and your property is available to buy, you will need to send us a (non-refundable) application fee of £250. You need to send this within 4 weeks of the date on the acceptance notice. If you do not send your fee within 4 weeks, your application will be cancelled. The application fee is refundable at the point of purchase.
4. **Valuation.** We will arrange for a Royal Institute of Chartered Surveyors (RICS) qualified surveyor to value the property for sale. [You will need to choose from a list we have compiled of local valuers or ask us to do this]. Upon completion of the valuation, we will send you an offer notice. This offer notice will set out:
 - The RICS qualified surveyor's valuation of your property*, your discount, the price you'll pay.
 - Any structural problems the landlord knows about.
 - Any terms and conditions of the purchase.
 - *For leasehold properties (and some freehold properties where applicable), your offer notice will also include an estimate of the service charges that you will need to pay over the next 5 years.*

* If you are not happy with the valuation you can ask for a second valuation at your own cost from another RICS qualified surveyor from the approved list.. You may want to check the cost of a second valuation before proceeding.
5. Decide if you want to go ahead with your VRTB – you have up to 12 weeks to accept our offer. It's during this time that you'll need to arrange a mortgage or loan if you need one, get a survey and instruct a solicitor. Get independent financial and legal advice (if you haven't already done so) and check you understand all the costs before you sign anything. If you do not respond within 12 weeks the valuation lapses and you would need to restart the application process, including paying another application fee.
6. **Complete the purchase.** Once you're happy with our landlord's terms and have arranged how you will pay for your home, carry on and complete your purchase.

It's usually during this time that you pay your stamp duty (if applicable) and finalise and sign the paperwork. Your solicitor will advise you and help with arrangements for these final stages of the process.

Appendix 2 - Public sector landlords whose tenancies contribute to Voluntary Right to Buy eligibility

Note. Your time as a tenant of the following list of landlords may contribute to the eligibility period for calculating the voluntary Right to Buy discount. It does not mean that you can buy your home under the voluntary Right to Buy if you are currently a tenant of one of these landlords. If in doubt, please check that your landlord is a party to the voluntary Right to Buy scheme.
