

How to get involved on My PA

Here you will find information on how to become an involved resident with PA Housing.

The first thing you will see is an informational video on our Service Improvement Panel. There is also information on what it means to become a Neighbourhood Champion for your community. Below are some useful links to help you get more involved.

3. Finally, you could join our Digital Facebook Group to help us improve My PA.

Join fellow interested customers to discuss and test new features on My PA.

4. Help us form our new corporate plan

Complete the short survey to make sure that our services are shaped around your needs in the future.
