

What's inside the request a service page?

This page is made up of a series of forms designed to help you report problems within your home and community. There's also a page for information and advice on welfare and benefits.

The screenshot shows a user interface for a housing service. At the top, it says "Hi Barbara white, how can we help you today?" followed by "Select a category from below:" and "Your current account balance is £593.75 in debt". Below this is a grid of seven service categories, each with an icon and a title. Blue arrows point from callout boxes to specific categories:

- Inform PA Housing of any pest issues and get advice here** points to "Report a Problem with Pests".
- Let us know if you have any gardening or cleaning concerns here** points to "Gardening & Cleaning".
- Find help and advice for welfare and benefit queries here** points to "Welfare and benefit advice".
- Request a gas or electric safety inspection here** points to "Safety Checks for your home".
- You can request a new fob or key here** points to "Fobs & Keys".
- You'll find a link to our ASB toolkit to get help with the anti-social behaviour in your area here** points to "Anti-social Behaviour Toolkit".
- Links to both the PA Housing job page and the Job Centre Plus job search as well as useful training resources to help develop your skills can be found here** points to "Looking for a job?".
