

# Become a FORTEM Management Trainee

**FORTEM**

People who care

**Closing Date:  
16th April**

## Who are FORTEM?

Fortem provides specialist property solutions tailored to keep homes and buildings running smoothly. We have an established track record of improving communities and creating better places for people to work and live.

Fortem is a rapidly expanding company looking to identify, develop and nurture future leaders.

## The Opportunity

This is an exciting opportunity to learn every aspect of our thriving business, from pre-construction and commercial to operations and HR, the Fortem Trainee Scheme will pave the way for your future career.

We're looking for Generalist Trainees, an Estimating Specialist and a Pre-Construction/Planning Specialist who are passionate, impressive, and genuinely committed to building a varied and successful future.

## What?

A structured training programme allowing you to develop into a fully-rounded individual with access to main board directors as personal sponsors throughout your traineeship.

## Why?

Along with a great starting salary which increases year on year, you will be provided with a company car, countless career development opportunities, networking events, staff discounts, pension scheme and many more! For those successful applicants who have not undertaken further education, we offer the opportunity to undertake a degree fully funded by Fortem.

## Who?

We're looking for school and college leavers, graduates, mature applicants and those seeking an exciting new opportunity.

## Where?

This is a national role so you will have the opportunity to travel and work in all of our branches and our head office. Accommodation will be provided, travel costs covered, and you will be supported by a dedicated team.
